Many of us live in a town with a Christian newspaper. For a number of years I've carried them around in my car and drop a few in different locations, like hospital waiting rooms, doctor's offices car repair shop waiting rooms and other such places.

I don't drop papers where I believe they would be inappropriate or overly offensive, but will go in and out of locations where there are a lot of publications cost around for folks to read. Grabbing a Christian newspaper gives one more option for a waiting person, a positive option that may plant the seed for the gospel or encourage a believer.

The Lord said, "...my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it." (Isaiah 55:11) Christian newspapers are one way to promote God's word.
